## Beverage Preference

Generally, I like beers with grainy flavors, and I dislike beers with strong hoppy flavors.

### Preferred:

- A proper English bitter (bitting hops, but not much aroma hops.)
- Brown ale or porter
- Sweet stout
- Cider (sweet or semi-dry)
- Belgian ale

### Avoided:

- Hoppy beers, such as IPAs
- Beer with adjuncts (fruits, spices, coffee, *etc.*)

## Anything else that needs to be said...

I'm one of the most opinionated people you'll ever meet on the topic of morris music. See my [manifesto](#) for details.
