History/Miscellany: Founded on the ashes of Wickliffe, Dunedin's previous morris side, Jack Frost is lively, irreverent, and inclusive. Many members are students in Dunedin. Jack Frost is the world's southernmost performing morris side, and its members may well be New Zealand's only practitioners of the Dark Morris. Jack Frost's founding charter forbids the practice or performance of hankie dances. *Last modified:* 2008/11/09 16:28
