Miscellany: "Standard" danceout on the second monday of every month, beginning generally in March of each year, continuing through November. This takes place on the Third Street Promenade in Santa Monica from 8PM. We do move it some- times, if other events conflict, so check with somebody to verify it's happening. Come on by, and buy us a beer, and we'll tell you all about ourselves! Probably even stick you in a dance.

We normally do not practice from early December through early February.

There is also a women's side, Pennyroyal Morris, which practices at the same location and time.
